

MODULE III - WASTE DISPOSAL CELL (WDC)
POST-CLOSURE CARE AND USE OF PROPERTY

III.A. USE OF PROPERTY

III.A.1. Use of the property is restricted under Utah Admin. Code R315-7-14, the deed notation filed with the Duchesne County on February 18, 1993, and the environmental covenant filed with the Duchesne County on January 20, 2010.

III.B. POST-CLOSURE CARE

III.B.1. The Permittee shall conduct all post-closure care activities in accordance with this permit, and in compliance with Utah Admin. Code R315-8-7.

III.B.2. The Permittee shall maintain and monitor the WDC, after completion of closure and corrective action activities, in compliance with Utah Admin. Code R315-8-11.5 and R315-8-7 and this permit. The Permittee shall:

III.B.2.a. Maintain the integrity and effectiveness of the final cover in compliance with Utah Admin. Code R315-7-21.4(b) and Attachments 2 and 3 of this permit, including making repairs to the cap as necessary to correct the effects of settling, subsidence, erosion or other events.

III.B.2.b. Maintain and monitor the groundwater monitoring system in compliance with Utah Admin. Code R315-8-11.5(b)(2) and R315-8-6 and Module IV and Module V of this permit.

III.B.2.c. Prevent run-on and run-off from eroding or other-wise damaging the final cover in compliance with Utah Admin. Code R315-8-14.5(b)(5).

III.B.2.d. Prohibit post-closure use of the property which will disturb the integrity of the final cover, containment systems, or monitoring system in compliance with Utah Admin. Code R315-8-7.

III.B.2.e. Protect and maintain surveyed benchmarks used in complying with Utah Admin. Code R315-8-14.4.

III.C. INSPECTIONS

III.C.1. Inspections shall be conducted during the post-closure care period in compliance with the procedures specified in Condition II.D. and as specified

in Attachments 2 and 3. All records of inspections and remedial actions shall be submitted to the Director and retained at the Division of Solid and Hazardous Waste offices, on the 2nd floor of the Multi-Agency State Office Building, 195 North 1950 West, Salt Lake City, Utah throughout the post-closure care period. Any deterioration or malfunction discovered by an inspection shall be remedied as required by Condition II.D and Utah Admin. Code R315-8-2.6(c).

III.D.

AMENDMENT OF PLAN

III.D.1.

The Permittee shall amend the post-closure plan in accordance with Utah Admin. Code R315-8-7 whenever necessary or when required to do so by the Director.
