USU Ext Auditorium (Tooele County Health Dept Bldg)

151 North Main Street, Tooele

TEAD-North Open House

- Poster presentations on historic and current TEAD related groundwater contamination in the Tooele Valley, current corrective actions, and final remedy selections.

TEAD-South RAB Meeting Agenda

- SWMU 1/25 Eastern/Western Disposal Areas Cleanup Updates
- SWMU 2 Gravel Pit Burial Cleanup Updates
- SWMU 13/30 Planned Remedial Investigation Activities

Tooele Army Depot (TEAD) is hosting two separate public meetings to discuss the restoration activities related to the Environmental and Base Realignment and Closure Programs. The open house will highlight TEAD-North's restoration accomplishments pertaining to groundwater clean-up activities, along with the final remedy selection. The open house will provide the public with an opportunity to talk to experts about the work being performed on and off the Depot. The Restoration Advisory Board (RAB) was established to bring together members of the local community and the Army and will focus on TEAD-South. **The public is encouraged to attend.**
