Dear Ms. Rhodes:

Congratulations and welcome to Clean Utah. Your application successfully passed the compliance screen by the Utah Department of Environmental Quality, the Salt Lake Valley Health Department, and the U.S. Environmental Protection Agency. Your entry into our program is overwhelmingly supported

A list of Clean Utah participants is included on the DEQ website (www.deq.utah.gov/cleanutah). We will add Kennecott Lands to the list of entry level participants. I also understand that you have achieved ISO 14001 certification. Given that and the results of your compliance screen, I'd like to encourage you to apply to our Partner Level. This is the level where the incentives and formal recognition, including use of the Clean Utah logo, become available to participants. The next round of applications will be considered beginning April 15. Please contact Renette Anderson at either 536-4478 or renetteanderson@utah.gov if you have questions about the Clean Utah program and its requirements.

Best Regards,

Dianne R. Nielson, Ph.D.
